PROFILE

Highly motivated and determined Junior Software Tester with strong attention to details. Since I start testing, I have learned how important is to be meticulous and a team player. I like new challenges, that made me want to learn more and more about this domain and improve my skills every day. My goal is to become an expert in a challenging and innovative QA work environment and aim to realize my full potential. That's why I am looking for a company that will give me the chance to learn and develop myself as a Software Tester.
